

Come and walk the Historic Old Coach Trail in Fall River. Join members of the Open Space and Trails group as we walk one of the last remnants in our community of an historic 200 year old coach road. Learn about the natural history along the trail as well as plans to connect this trail to the MacDonald Sports Park Trail system.

**When:** Saturday July 2, from 10:00 AM to 12:00 AM (Rain or Shine)

**Where:** Meet at the intersection of Blue Hill Road and Lake Thomas Crescent.

This will be an easy walk but bring appropriate foot ware (some wet areas), drinking water and insect repellent.
